

# CLOVERDALE SMALL GROUPS

## WINTER QUARTER 2010

WINTER KICK OFF THE WEEK OF JANUARY 10<sup>TH</sup>

EXPERIENCING LIFE IS AN ADVENTURE DON'T GO AT IT ALONE!

Thanks for taking the time to *check out the next several pages* of SMALL GROUP opportunities! Groups Begin the week of JANUARY 10<sup>th</sup> , although we encourage you check out or join in groups anytime. More than ever people are checking out our Small Groups because that's how our church can enjoy the blessings of growing larger and smaller at the same time. The goal is to help all of us New to Cloverdale and Long Time Attendees experience: 1) Authentic community with fellow believers 2) A life change of growing in Christ. We do this through home & church based groups where people get to know each other, have fun, ask questions, learn from God's Word, and each other. Our groups are built upon a common foundation: The study of God's Word.

I hope and pray as you look through this directory you will find a group, call me, or just go check one out! We have groups that meet at a variety of places *every night of the week*... To make it easier for families on Wednesday we have DINNER (6:00pm) & Children's Program (7:00-8:15pm). Adults can attend one of the many Wednesday groups that meet AT or NEAR the church in neighboring homes while the kids have a great time. Be sure to promptly pick children up at 8:15 so everyone gets home early.

For directions to your small group of interest:

- 1) Call the facilitator/host for the group you are interested in a few days before they meet; giving them time to call you back with directions and/or answers to any questions you may have.
- 2) Go on line to [mapquest.com](http://mapquest.com) for specific directions from your home to their home!

If you need help finding the group that's just right for you, or if you are interested in starting a new small group, simply call or email me anytime! I would love to hear from you!

Just as Daniel faced unbelievable pressures— to compromise his faith, to live in a hostile culture, and confront temptations and threats—today's believers face many of the same trials. We will examine the life of Daniel in an extremely contemporary way. Then explore the fascinating prophecies from the time of Daniel through the second coming of Christ.
